

Where the Sky Meets the Ocean (1Night 2Days Tour)

Day 01: Kōchi City and Hirome Market

From Takamatsu Station, you will south by train to Kōchi City, a city with a culture and style of its own. Here you will be taken to the favorite local spot, Hirome Market. With its vibrant atmosphere and fun-seeking patrons, the interior of this market is like a perpetual festival. Stalls hawk an assortment of local specialties such as fire-grilled bonito tuna, as well as local *sake* which enjoys countrywide recognition in Japan.

For the rest of the evening, you will be able to explore the city freely as you please and we hope that you will take advantage of the colorful nightlife of this city.

Day 02: Cycling Along the Coast

In the morning you will be driven to Shinshōji, temple number 25 of the 88 Temple Pilgrimage. After enjoying the ancient temple grounds and blue Pacific views you will begin a day of biking along the coast and through the charming seaside townscape that dot the rocky shores.

The south-western coastline where Kōchi and Tokushima meet to form Cape Muroto is bordered by the crashing Pacific and is a land of dramatic nature and sweeping views. As the road dips and turns one can have an up-close view of the ocean crashing upon the sprawling beaches comprised of turbidite rock formations. Here, amid the crashing waves is mysterious Hotsumisakiji temple number 24. It is where the famous monk Kūkai is said to have reached enlightenment. Visitors to the area can visit the caves where the monk trained and the same stretch of beach and sky, he saw upon reaching awakening.

The surrounding waters are also rich with fresh fish that dwell in the deep-sea waters off the coast. These deep-water tracts are perfect for bringing up fish in abundance and local restaurants such as Ryotei Kagetsu prepare them in the freshest ways possible and are local favorites.

Once this day of outdoor exploration is finished, you will finally be brought back to Tokushima Station by car to enjoy a free night in the city before moving on to your next adventure.
